RESPONSE TO ELECTION/RESTRICTION

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the election/restriction set forth in the Office Action mailed October 18, 2005, Applicants hereby provisionally elect the claims of Group IB, which correspond to claims 21-32.

REMARKS

In the Office Action, claims 21-32 are characterized as being "directed to a species of lens assembly adapted to provide a field of view, vignetting, and distortion of the image." This characterization is not completely accurate. Applicants respectfully point out that claims 21-32 are directed to a lens assembly comprising a plurality of lenses for producing an image of an object, the plurality of lenses adapted to provide a field of view of approximately 15 degrees, approximately 0% vignetting within the field of view, and a distortion of the image of less than approximately 1%.
